

Essential Math

Mrs. Faulkham

Essential Math is a course designed to prepare you for life after graduation.

Materials needed:

Folder Pencils

Classroom Rules:

Be Prompt Be Prepared Be Polite Be Positive Be Productive

Grading (based on a point system):

Homework/Classwork 3-10 points, Tests 30-50 points, Quizzes 5-30 points

Homework/ Classwork:

- Assignments turned in late will lose 1 to 3 points depending on the number of points the assignment is worth.
- There will be various projects throughout this course. The point value of the project will depend on the size and expectations.

Tests:

- Tests are given at the end of each unit.

Quizzes:

- Quizzes may take place at any time; large quizzes will be announced ahead of time, small quizzes may be unannounced.

Other Expectations:

- You are expected to bring your folder, planner, chromebook, and a writing utensil to class everyday.
- All makeup work is the responsibility of the student! You need to ask for any worksheets that you are missing. Tests and quizzes will be made up the day you return to class.
- Bathroom passes will not be given when I am teaching. I will not give passes to go to your locker so bring all of your materials with you when you come.
- USE OF CELL PHONES/ IPODS ETC. WILL NOT BE ALLOWED DURING CLASS.

- Please ask me questions about the course work when you are struggling, I will do my best to answer as many questions as possible.
- Come in for extra help if you need it.

I keep a schedule of times I am available after school on my board and on my website.

Before school sessions may also be scheduled on an individual basis.

You must make an appointment using the google form that is linked on my webpage.

I expect that you will be prompt for your appointment and will have transportation home immediately after your appointment.
