

**LYME CENTRAL SCHOOL DISTRICT
BOARD of EDUCATION GOALS
2019-2020**

The Board of Education serving the Lyme Central School District is committed to:

- receiving bi-monthly updates of the strategic issues and goals being addressed per the Strategic Plan in order to monitor the District's academic and extra-curricular progress during the 2019-20 school year
- supporting training/professional development opportunities for Staff/Administration related to the District's Strategic Plan's targets and goals
- promoting transparency and enhancing connections between home, school and community
- leveraging available district resources for the benefit of students, staff and taxpayers in order to address targets, strategic issues and goals as identified within the District's Strategic Plan
