

LYME CENTRAL SCHOOL

VISION

The Lyme Central School District, in partnership with parents and community, will establish a foundation for life-long learning, individual well-being, responsible behavior, and the pursuit of excellence to meet the challenges of the future.

MISSION

Our mission is to instill our students a love of learning, resulting in a community of life-long learners committed to the pursuit of academic excellence and responsible citizenship. Each student will graduate with the knowledge, skills, and character necessary for successful living. Our education program will be based on the wisdom of the past, the realities of the present, and the expectations of the future.
